Dhaka.

PACK-TECH Bangladesh 2020 Presents a perfect marketing forum
for targetting the **Corrugation and Packaging** Industry in Bangladesh.

Bangladesh is the second largest garment Exporting country in the world exporting close to USD 40 billion, thus is one of the largest markets for Packaging & Corrugation as it is an integral part of the same. As Bangladesh moves up the value chain packaging is playing an important part in enhancing the value of the garment.

PACK-TECH Bangladesh-2020 is perfect marketing platform created to showcase latest innovations and technology related to Corrugation and Packaging. Being

held concurrent with 11th edition of GAP Expo- the established garment accessories & packaging tradeshow, it ensures assured footfall of the target segment with good opportunity for personal discussions and networking with decision makers.
